This year the Centralia is dedicated to the retiring member of our faculty, Mrs. Elizabeth Gustin. A graduate of Ferris Institute, Mrs. Gustin began her teaching career at Western High School in 1919. She joined our Central High School faculty in 1922. When she was married in 1928, she resigned and raised her family which consisted of her two sons, Robert who is now a teacher in our Bay City School System, and Jerry who is soon to be ordained as Presbyterian minister. Mrs. Gustin rejoined our faculty in 1947.

All of her teaching has been in the Business Education Department with such subjects as typing, business mathematics, bookkeeping, operation of office machines, and secretarial training. In her entire teaching career Mrs. Gustin impressed people, her vivacious personality, and her kind heart.

Mrs. Gustin resides at 1007 Borton Avenue, Essexville, with her husband and mother of 94. She has been active in her church and community, having been a member of the YMCA Board of Directors and a Sunday school teacher in her church.

Her future plans are to enjoy life to the fullest degree, as she has enjoyed her teaching career.

She will be missed not only by her recent students, but by all of her former students. She will be enshrined within the high school memories of all whoever, had her as a teacher.

MRS. ELIZABETH GUSTIN

The Homecoming Queen of 1960 was announced at our annual Homecoming assembly when the Queen and Her court were presented to the student body. The name of the 1960 Homecoming Queen was announced by Bob Rogers, Senior Class President. Jackie Werner was thoroughly surprised by Bob as he announced that she was the 1960 Homecoming Queen. Clothed in her regal robe she was escorted to the throne and was crowned by Bob Nash in the first assembly and by Bob Crampton in the second assembly. Her court consisted of two representatives from each grade. They were as follows: Senior representatives, Barb Kokaly and Barbie Defoe; Junior representatives, Evon Kist and Mary Jo Allman; Sophomore representatives, Carole Hughes and Deanna Thompson; Freshman representatives, Sue Gunther and Nancy Young. The Queen and Her court recited a poem and later sang a song to the audience. After a short speech by Times Sports Editor, Mide Sturm, the annual Homecoming assembly ended.

At the Homecoming football game this year against Arthur Hill, Quee Jackie Werner was crowned by Mike Tolson. Bob Rogers then presente Queen Jackie with roses. With Her court she was then escorted off the fiel The Queen and Her court were escorted to their respective boxes, each a ranged in class order, by their proud fathers instead of having boy escort as was previously done.

Following the triumphant ending for the Wolf Pack, the Queen and he court were rushed to the Homecoming Dance where they were the gues of honor. At the dance, the Queen was presented with small footballs b Eccelsia Club. These, too, were autographed by the football team. Circula pins were presented to the Queen and Her court by the Student Union. Thu the ending of the dance ended our 1960 Homecoming celebration.

What are Seniors doing at the Junior Prom?

This year the annual Holiday Prom, sponsored by Central High School, T. L. Handy High School, and Junior College, was held in the J.C. Gym. Over a thousand guests attended and danced to the music of the Glenn Miller Orchestra under the direction of Ray McKinley.

The co-chairmen were Barbie Defoe for Central and Bev Adams for T. L. Handy.

Some of the students who worked on the committee for the Holiday Prom are pictured below. They are as follows: from left to right; Millie Moore, Nancy Whipple, Bindy Butler, Ellen Hydorne, and Gail Baker.

# ENGLEMEN PLAY RUGGED FOOTBALL

Our Central High gridders opened this year's football season with a smashing 60-0 victory over Sarnia of Canada In this game the entire team saw action The following week the Engelmen downed the Flint Southwestern Colts 20-0

Before a chilled crowd of 10,000 spectators our Wolves tamed the Handy Wildcats 20-0. After we received the opening kick-off, we marched to the Handy endzone scoring on a two-yard plunge. A Handy fumble deep in Wildcat territory set up another touchdown for our Wolves. The final touchdown was scored in the second period of play.

The Wolves battled to their fourth win by beating Flint Central 26-0. Pat Kinney broke loose to score for Bay City within the first two minutes of play. The Wolves took advantage of a blocked Flint punt. Tom Huskin scored a second touchdown for the Wolves. In the Second half of play Tim Pete scored twice.

The annual Homecoming Game, this year played against Saginaw Arthur Hill, proved similar to the Sarnia game. Our Engelmen overwhelmed the Hillites 41-12. Bay City quarterback Bob Crampton scored in the first half of play. In the second half of play our "fired-up" Wolf-pack scored three more touchdowns.

The Midland game almost resulted in a tie, but our Wolves came through 14-13. Two spectacular plays highlighted the game. The first of these two plays was a touchdown pass to Dennis Geno which was completed after the second half had technically ended. The second of these plays was a defensive block made by Ken Wright which stopped Midland's try for the extra point. Our Wolves also beat Saginaw High 20-6 and Pontiac 34-13. In both of these games our Engelmen capitalized on mistakes of their opponents.

Our Wolves entered the game against Flint Northern with an 8-0 record. This was to be the game which would decide who would hold the Valley and State championships.

The first half of play was an evenly matched battle between the two teams with Bay City scoring once and Flint Northern twice. In the second half the Wolves threatened to score several times but succeeded in scoring only one touchdown. On a pass interception, Northern scored a third time bringing the score to 18-14. With minutes left in the game the Wolves fought gallantly to score again but another pass interception by Northern halted Bay City's last offensive drive and the game ended 18-14 in favor of Flint Northern. Thus we concluded our 1961 season with an 8-1 record.

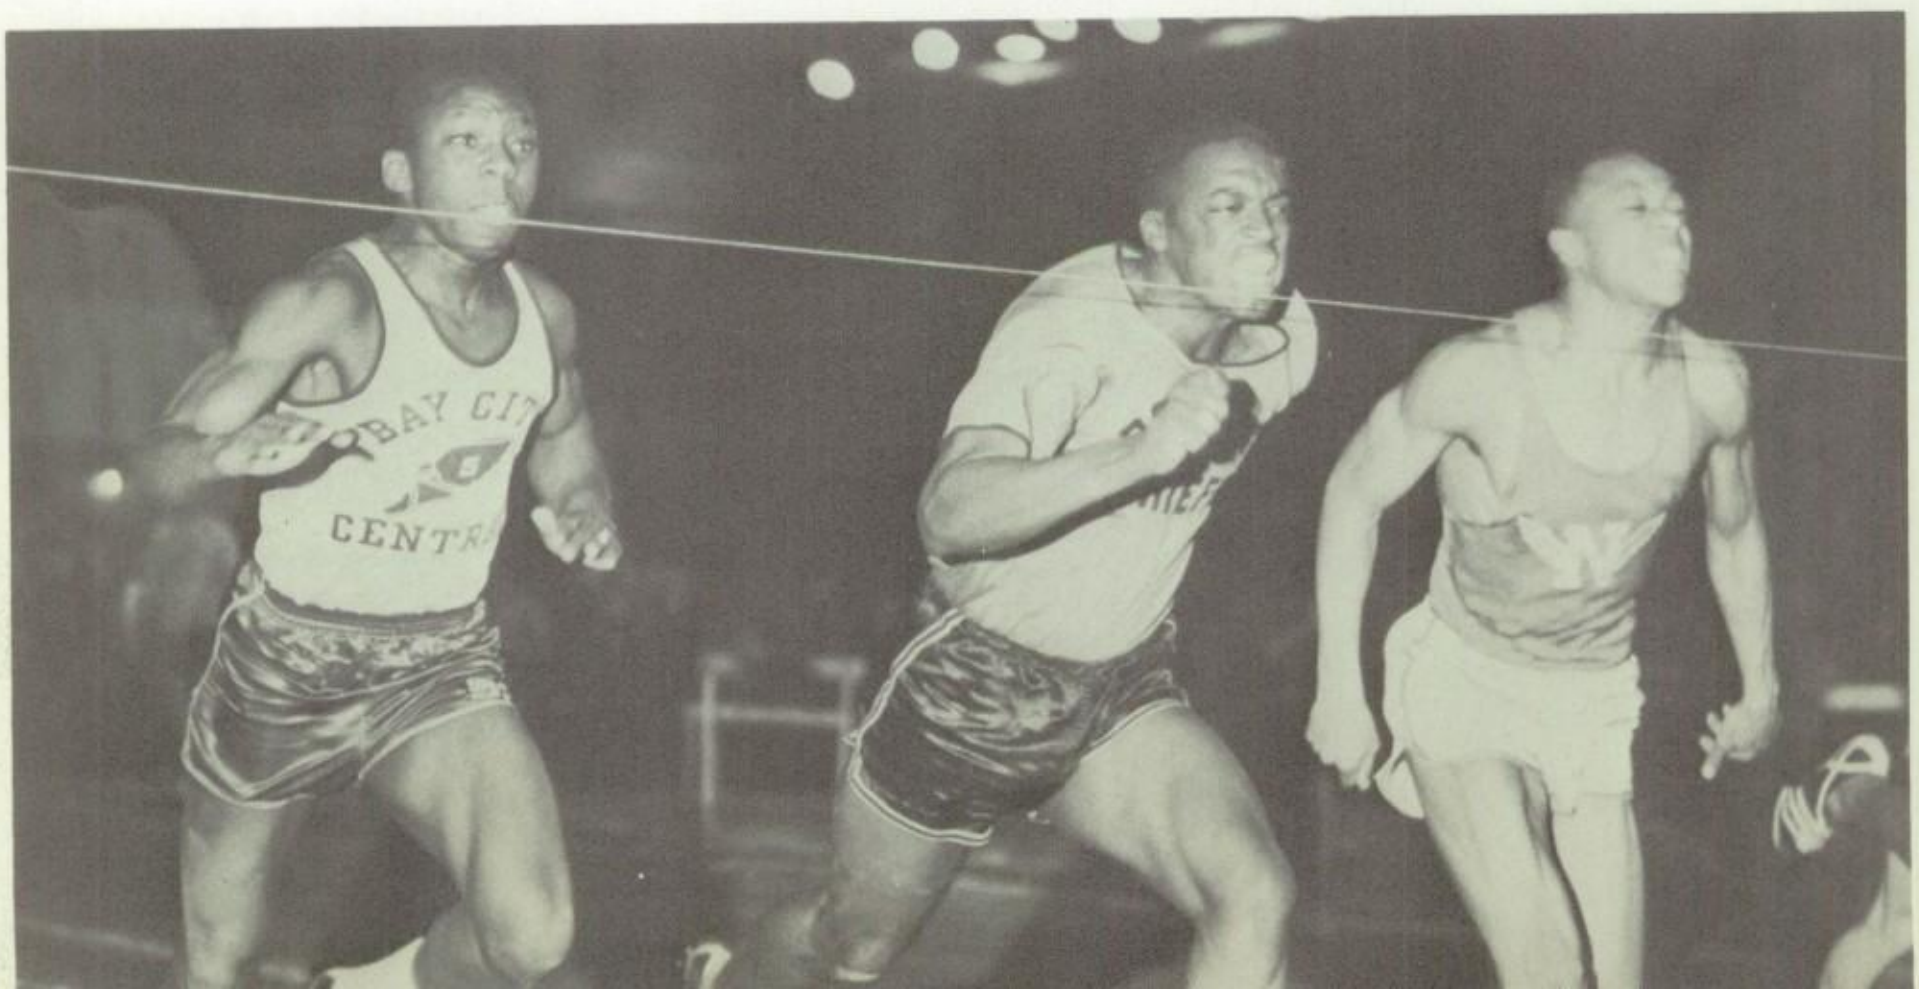
# CROSS COUNTRY



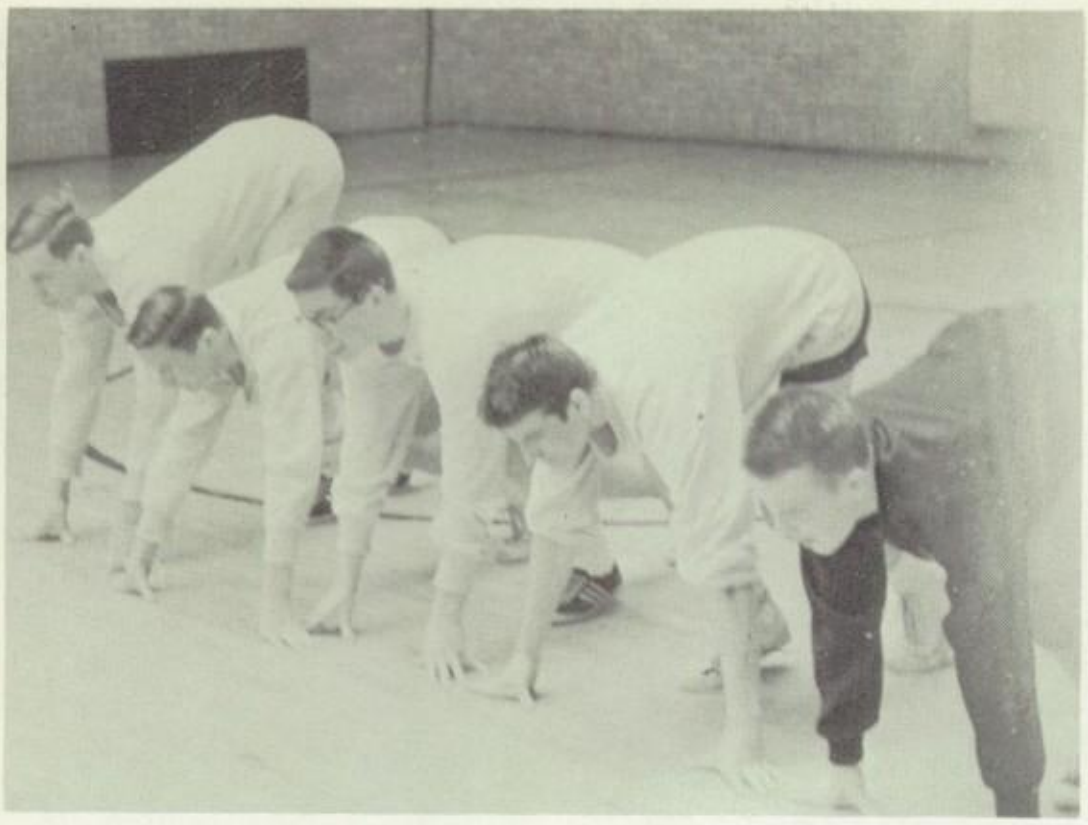
While everyone was busy cheering the football team on to victory every Friday night, the cross country team took a back seat in the sports scene. The fellows on the team practiced hard every night without much support from the student body. Cross country is an individual sport in which one athlete can excel even though his team doesn't.

In this year's Valley meet, which was the largest in the history of the Saginaw Valley Conference, our varsity squad took eighth place. Out of a field of fifty-five runners, Harvey Badour placed twenty-third; Michael Sharon, thirty-eighth; John White, forty-second; Bill Kerr, forty-third; and Jim Piesik, forty-fifth. The reserve team took fifth place with Larry Ligney coming in sixteenth out of eighty-nine runners. This was the first meeting of the new conference in any sport for a Valley championship.

Central's team placed thirteenth in the regional meet, with Harvey Badour, taking forty-sixth; Michael Sharon, sixtieth; John White, seventy-third; Larry Ligney, seventy-fourth; and Bill Kerr, seventy-fifth, all out of a field of one hundred and three runners.

Out of the tewenty-two lettermen, nine received varsity letters, five received junior varsity letters, seven receiving their numerals, and one manager award was given. From this young team there were nine seniors, five juniors, four sophomores, and five freshmen. Returning for next year's season are seven of the top varsity runners.

Next season the cross counrty team will be running in all triangular meets against the Valley schools for the first time. Previously, the team only competed in dual meets with a limited number of Valley schools. The cross country schedule will also include the usual valley, regional and state meets.



VARSITY TEAM

# BASKETBALL

Our Central High Hardcourtmen have played a hard grueling season this year. The aggressive spirit of the team did not completely overcome the inability of the players to synchronize team efforts. Hampered by a poor shooting average and by inefficient ball control, the Senior Wolfpack was victorious in only two games. Even though this season has not been spectacular, the two victories we did claim were important ones. We defeated our crosstown rival, Handy High School, twice.

The retiring seniors this year are Stan Doane, Ladd Irvine, Mitch Simmons, Dick Sheppard, Gary Gwizdala, Bill Gracey, and Jack Lemke. With the return of such players as Tim Pete, Rob Schafer, Don Randall, Duke Hollerbach, and Larry Schornack we look forward to a more successful season next year.

Our Junior Varsity and Sophomore teams had similar seasons this year. Although both teams were troubled with shooting and ball handling, they managed to come through with more wins than the Varsity. Experience gained by J.V. and Sophomore players should help our Varsity squad next year.

The Freshman players gained valuable experience this year. Ball handling and lapses in defense troubled them. The Freshmen did produce some high individual scoring; Norm Manion scored 31 points against Cass City. When such sharpshooters reach the Varsity, their shooting and our present aggressive spirit will prove to be a hard combination to beat.

# SWIMMING

## SWIMMING STORY

Our swimming team splashed to eleven wins and only three losses this season. This record is an impressive improvement over last year. Our Moreymen have established themselves as one of the most powerful teams in the valley. With constant improvement every successive year, coach Morey has had his most successful season this year, since he came to Central three years ago.

Our tankers began the season by placing second in the Arthur Hill relays, they downed practically all opponents. The victory over Arthur was especially pleasing because this defeat of Arthur Hill at the hands of our Wolves was the first defeat for the Hillites in seventy-five Saginaw Valley League starts.

After being touched out by the Chemics at Midland our Wolfpack was very much satisfied with their 55-50 win over the Chemics here. The pattern for all our meets was very similar. Cal Freeman headed the 100 yd. freestyle; Lance Hellerman in the 100 yd. breaststroke; John Charters in the 40 yd. freestyle; Jim Marsh and Bob Narlock in diving. Fred Eurich in the 200 and 400 yd. freestyle; Tim Maxon and Bob Weber in the 100 yd. backstroke; Ted Shook, John Dixon, Dave Johnson, Paul Johnson, in the freestyle relay.

Our Moreymen this season just missed taking top honors in the Valley by one point, as they finished second with 51 points while Arthur Hill finished first with 52 points. We are going to lose a few important swimmers this year in the graduating seniors. Cal Freeman, freestyler; Lance Hellerman, breaststroker; Russ Black, breaststroker; John Schmidt, breaststroker, and Bob Narlock in diving. We do have depth in our underclassmen and wish the return of such standouts as Fred Eurich, John Dixon, John Charters and Jim Marsh. Our Moreymen should have an equally successful season next year and in the years to come.

## WRESTLING STORY

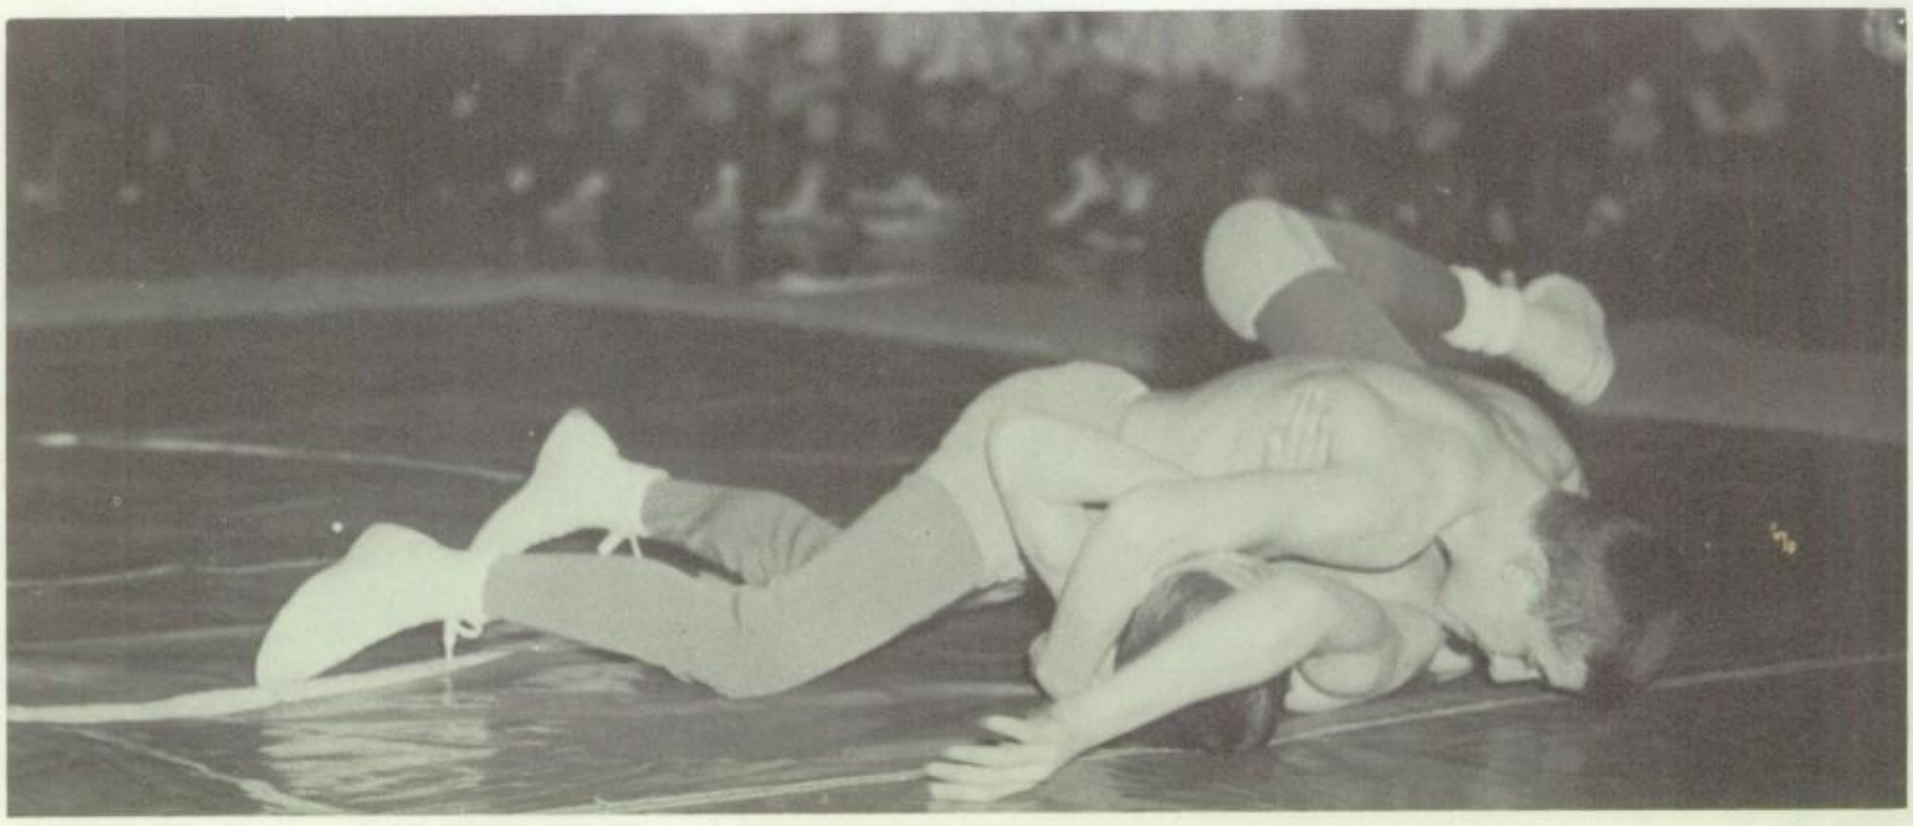
In the dark lobby of the girls' gym, the wrestlers go on their way without much accolade year after year, but to continue to take in more than their share of honors, and this year's team was no exception.

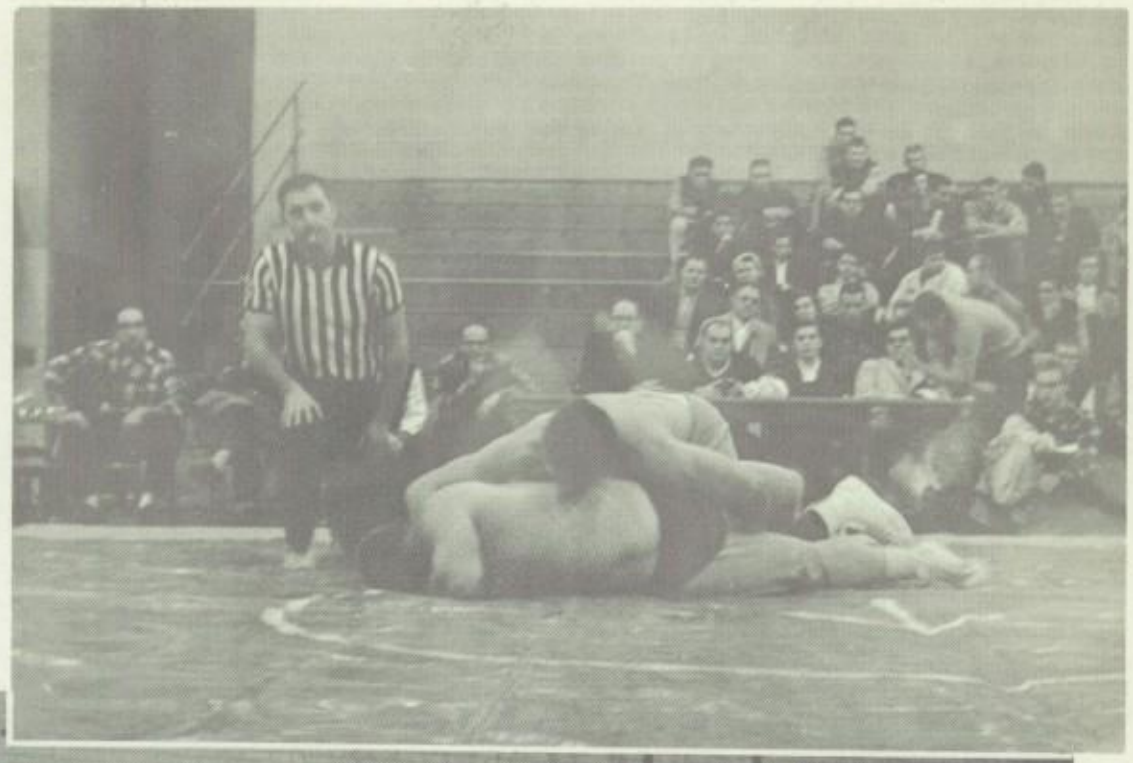
Although Coach Ray Duch's matmen lost their Valley Conference wrestling crown, the team came in a close third Championships went to Don Seipke and Bob Nash. Second places went to Gary Kernstock and Rick Czap.

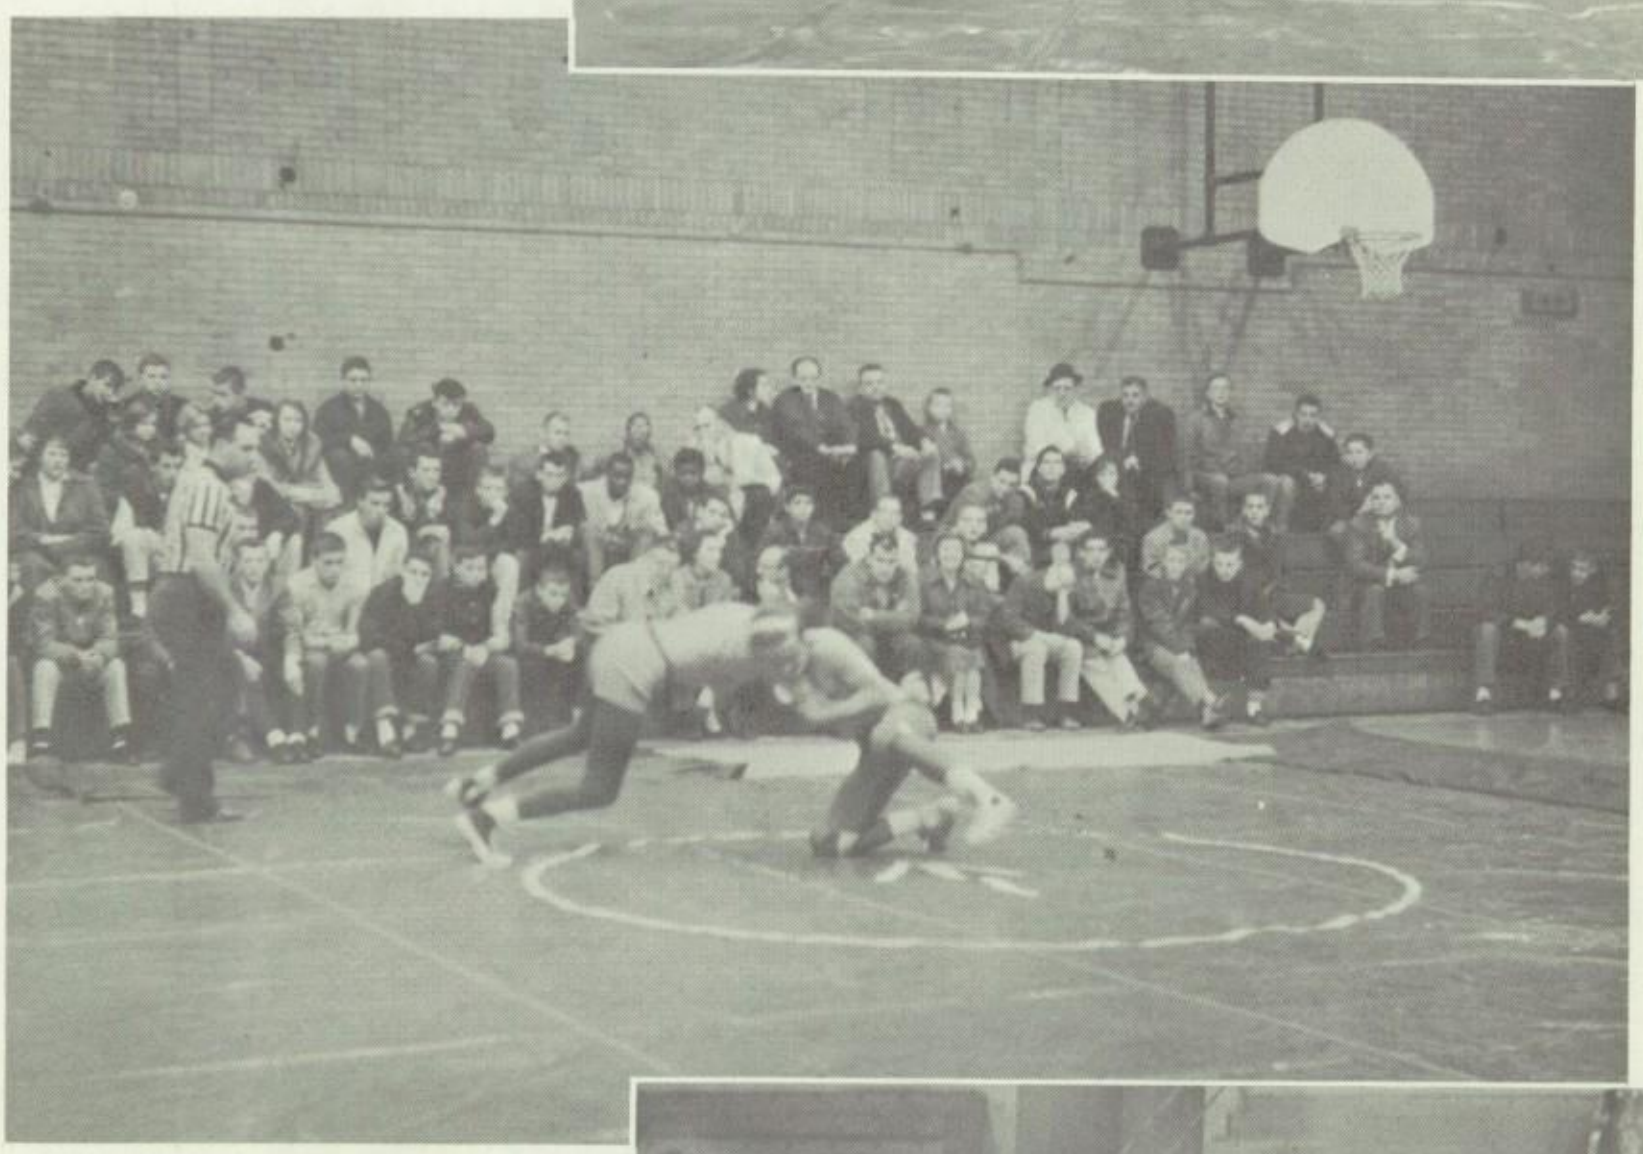
At the Regional meet Central's wrestlers came in fifth out of thirteen schools in competition. Rick Czap became the regional champ and qualified for the state tournament. Runner-ups were Don Seipke and Clarence Pease.

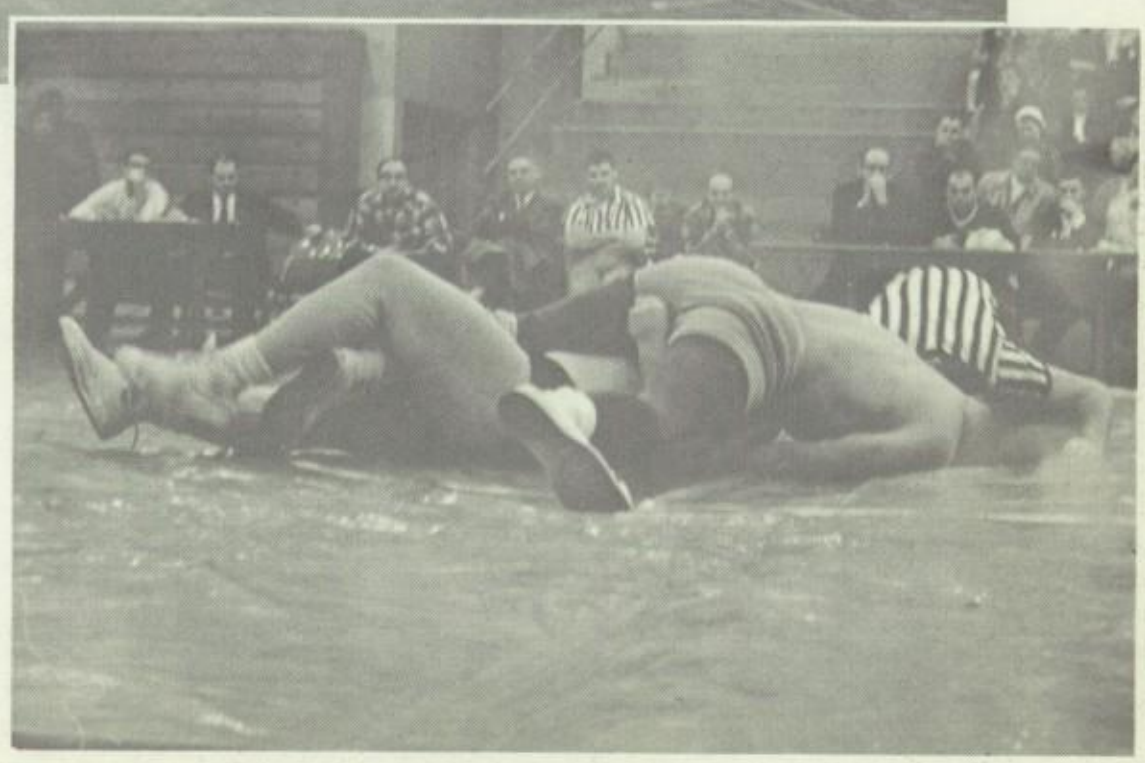
During the regular season competition the team attained a mark of six wins and six losses out of twelve dual meets. Also in their share of honors, eleven boys won medals at the Bay City Invitational Meet.

# WRESTLING









# BASEBALL

In the spring the Central Wolves have four sport features to look forward to: tennis, under the direction of Mr. Morey; golf, coached by Mr. Ullenbruch; baseball, under the watchful eye of Mr. Engle; and track, coached by Mr. Loop.

Although competition in the four spring sports is carried on after the yearbook goes to press, they are not to be slighted, and this year the quartet of sports promises to take its usual share of Valley Conference honors and crowns.

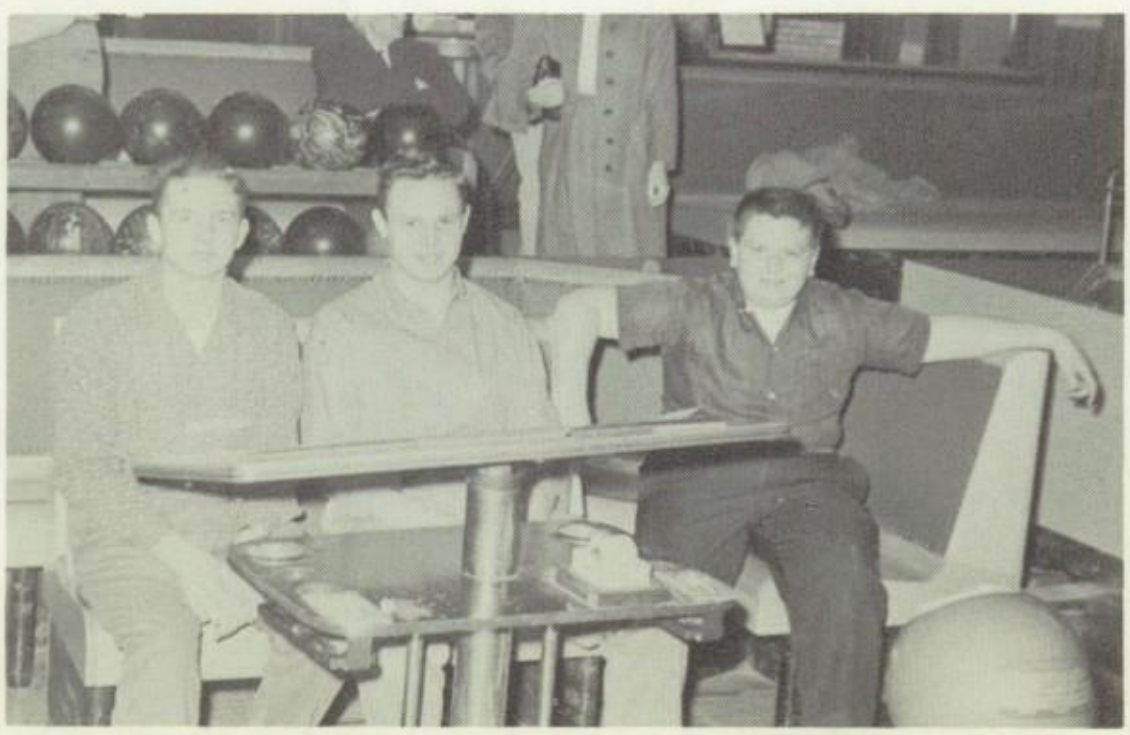
# THE BOYS BOWL TOO



The Girls' Athletic Association is an important part of the athletic program at Central. One of the many advantages offered by this organization is the opportunity to become acquainted both socially and athletically with others. It gives the members a chance to develop themselves in skill and leadership, and it provides an opportunity for each member to become a better citizen.

Any girl is able to join, providing she participates in one of the sports offered to all girls. The activities which she may enter include basketball, bowling, swimming, tennis, baseball, and dancing. All of the programs are set up similar to that of the boys, which includes both intramural and outside programs.

A few of the activities of the Girls' Athletic Association are participating in tournaments, meets with other schools, and student assemblies.
